COMPETITION RULES ABSTRACT

- ART. 1 The use of a uniform demands the adherence to the Military Discipline regulations with all the duties this requires (see articles 5 and following ones).
- ART. 4 Patrols will be accepted if formed by:
- Active Duty military personnel belonging to Armed Forces or National Corps;
 - personnel associated to U.N.U.C.I.;
 - members of other military associations (recognized by the Ministry of Defence and enrolled with ASSOARMA) if their membership is not expired and if they performed regular military service;
 - Active Duty and/or Reserve personnel of NATO-Countries, PfP or friendly Countries;
 - Soft-air associations members may be accepted (at Exercise Command's sole and undisputable discretion) provided that they performed regular military service and they declare to accept the present regulations, with particular reference to article 1.
- ART. 28 Exercise Direction will never assume responsibility for damages to persons/goods that might happen during the exercise.
- ART. 29 Every participant, by subscribing, states he/she is in perfect psycho-physical conditions and waives to any rights or actions against the Organization and its single staff members in the occurrence of personal injuries throughout the competition.

ADDITIONAL REQUIREMENT

By signing this form, I hereby declare to have read and accepted the Competition Regulations, and in particular Articles n° 1 (applicability of Military Discipline regulations) and n° 28, n° 29 (psycho-physical efficiency and waiver to any actions in case of personal injuries), and I state that all the members of my patrol fall under one of the cases indicated in article n° 4 (belonging to Armed Forces / registration with National Military Association).

PRIVACY INFORMATION

As per the European General Data Protection Regulation (GDPR - Reg UE 2016/679) personal data and images will be used for communications concerning the competition, for future initiatives and promotion of the exercise. Team Leader, with the signature, expressly authorizes the use of the data for each and every Patrol member.
